

CO - CATHEDRAL OF ST. ROBERT BELLARMINI

Roman Catholic Diocese of Trenton

July 2017

Dear Brothers and Sisters in Christ:

We are pleased to present to our parishioners a new option for donating to the Church: Online Giving. In the last 20 years, many parishes who utilized Online Giving have seen their parish offerings increase because giving is not affected by bad weather, vacations, or forgetting your envelopes. It is also an opportunity for families to prayerfully discern what their intentional giving will be and this predetermined giving can aide families in preparing a yearly household budget that includes charitable donations. After looking at a few different companies to manage the program, we selected Parish Giving in Trenton, NJ.

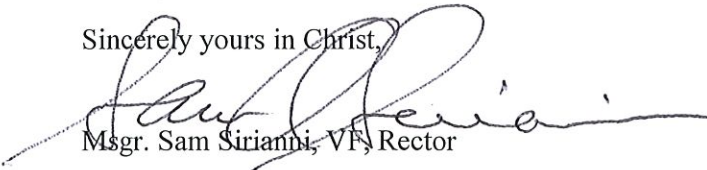

Things to know about the Online Giving Program:

- It is entirely voluntary
- Registration takes less than 10 minutes
- Is cost effective by reducing Administrative costs
- It is green – less paper is wasted
- Has advanced security measures.
- Convenient for the Parishioners – interactive site, parishioners pick the transaction date, easy to enroll for recurring contributions as well as second collections or special collections.
- There is no charge associated with Online Giving to the contributor.
- Tax reports for charitable deductions are available at year-end on the website.
- Email pre-notification arrives before contribution is charged.
- Contributions can be made from your Savings Account, Checking Account or select Credit Cards including American Express, Visa, MasterCard, and Discover.
- If you prefer to still drop something in the basket:
 - You can continue to place your envelope in the basket at collection time and write an E on the envelope.
